

Financial Aid

Xperitas is a nonprofit educational organization committed to making our short-term immersion travel programs accessible to as many students as possible. We provide meaningful financial aid on a "needs-based" sliding scale to create equitable access. Over the past decade, we have dedicated over a million dollars to financial aid, scholarships, and classroom grant programs.

Financial Aid rewards (total program cost) based on household income

Writing Scholarship

The Edie and Bob Green Writing Scholarships are annual merit-based awards honoring our founders, who were World Language Teachers dedicated to offering language and cultural immersion programs. Recipients submit a blog or vlog before and after their immersion experience, featured on the Xperitas website or social media. All participants in Xperitas language immersion programs can apply, making it an excellent opportunity for high school students interested in writing, communications, or journalism to enhance their portfolios.

Eligibility

- You must be a student registered on an Xperitas immersion program
- You must complete the requirements of the scholarship application and have them submitted by October 15, 2024.
- You must agree to both of the pre- and post-program submission requirements, including the submission essay.

Deadline

All documents must be postmarked or sent by email no later than October 15, 2024. Only complete applications submitted by the deadline will be considered.
