You Can Encourage New Members

The mission of WIT is to encourage and retain woman in woodturning. Here are some suggestions of how you can help: Introduce a friend or neighbor to woodturning by bringing her to a chapter meeting, accompanying her to an open shop session, and/or teaching her in your own shop. Offer to be her mentor for a year.

If there is a new member in your chapter who is not yet a member of AAW, tell her about AAW's 60-day guest membership: <http://www.woodturner.org/page/GuestMemberLanding>

Pay it forward. Instead of telling a new member about the guest membership, buy her a membership. In return, she can pay it forward by bringing another new member into the AAW. This generous gift may be the beginning of a lifetime of enjoyment for many new woodturners.
