LAST CHANCE: CHAPTER SCHOLARSHIPS TO CRAFT SCHOOLS

The AAW is pleased to continue offering financial assistance for quality woodturning instruction. Twenty-eight scholarships will be awarded to selected AAW chapter members to attend woodturning-related classes at one of two craft schools. We encourage our chapter officers to widely promote the scholarships and to use this as a recruiting opportunity for AAW membership.

Arrowmont - Fourteen scholarships will be awarded to Arrowmont School of Arts and Crafts, Gatlinburg, Tennessee. Tuition only; room, board, and travel expenses are the responsibility of the recipient.

John C. Campbell - Fourteen scholarships will be awarded to John C. Campbell Folk School, Brasstown, North Carolina. Tuition only; room, board, and travel expenses are the responsibility of the recipient.

If more members are nominated than the total number of available scholarships, a drawing will determine the winners. All awards will be for courses in 2019.

Chapters must provide the names of nominees, the number of chapter members, and the number of AAW members in the chapter **using the online application no later than January 7, 2019**. Winners will be notified by January 21, 2019.
