

Non-Conference CEU Worksheet for ACCT Inspectors

The ACCT Program Manager and Program Work Group recognize that the ACCT conference is a wonderful source of continuing education for inspectors, both professional and in house. We also recognize that there are many other sources for relevant and applicable continuing education to be attained outside of ACCT-sponsored events.

The purpose of this worksheet is to offer renewing candidates a pathway to incorporate non-conference CEU's into their inspector application packets. This will also facilitate the ability to verify CEU relevance to the ACCT Inspector program and hopefully promote clarity, and consistency within the inspector application review process. When you have completed this form, please email it to ACCT Programs at: **Inspector-Certification@ACCTinfo.org**
