

Dear Alaska CHARR Member,

We hope this email finds you healthy and surviving our current crisis! We have been working closely with the National Restaurant Association around the clock to keep current and up to date on the happenings in the hospitality industry on a national level as well as on a state level.

We would like to invite you to attend a free webinar to discuss the CARES Act (i.e. COVID 3). It is scheduled for Friday, March 27, 2020 at 11:00 am AKST. Please see the registration link below to participate.
