ADVISORY WAIVER OF OPERATIONS FOR 2020 COVID-19 RELATED

Date: July 21, 2020

To: All alcohol licensees

Reference: ADVISORY: AB-29 Waiver of Operation Fees for 2020

On July 16, 2020, under the authority of 3 AAC 304.170(i), the ABC Board unanimously agreed that COVID-19 is an extraordinary hardship for licensees for the year 2020.

Therefore the ABC Board approved to waive the associated waiver fees, including late waiver fees under 3 AAC 304.170(c) & (h) associated with the submission of form AB-29: Waiver of Operation Application for the year 2020.

The ABC Board also agreed that any AB-29: Waiver of Operation Application received for the year 2020 would not be counted against the licensee for the purposes of 3 AAC 304.170(e) which details denials of third and fourth waivers.

Sincerely,

A handwritten signature in black ink, appearing to read "Glen Klinkhart".
