Sarah Oates, President & CEO of Alaska CHARR, also gave updates about actions taken by the ABC Board during its January 5<sup>th</sup> meeting.

A link to BDO's Restaurant Blog covering the stimulus relief can also be found [at this link](#).

## PPP User Manual

On Wednesday night, SBA and Treasury released their official guidance on how the second round of PPP will work. The National Restaurant Association has distilled it into a "PPP User Manual".

The document can be found online [here](#).

SBA this morning announced that PPP will re-open the week of January 11<sup>th</sup> for new borrowers and certain existing PPP borrowers. To promote access to capital for underserved communities, only community financial institutions will be able to make First Draw PPP Loans on Monday, January 11<sup>th</sup>, and Second Draw PPP Loans on Wednesday, January 13<sup>th</sup>. The PPP will open to all participating lenders shortly thereafter.

We hope you find this "manual" helpful and will consider it as you move to preserve your business.
