OF OSTEOPATHIC
OBSTETRICIANS &
GYNECOLOGISTS

March 29 – April 3, 2020
Hilton La Jolla
Torrey Pines
La Jolla, California

Conference
Chairs:
Jennifer Nichols, DO
and Andrew Zink, DO

It's all on the ACOOG App!

Download the NEW ACOOG App to access all session information, presenter bios, available handouts, maps, full agenda, meeting schedules, attendee list, and to connect with other members and participants!

First Do No Harm

Safe and Effective Management of Pain

New Online CME Activity

Follow 4 patients suffering with pain as you learn and apply the fundamentals of acute and chronic pain management. The four cases provide a framework for demonstrating safe prescribing of opioid analgesics.

The curriculum is intended to provide strategies to address and overcome the barriers and gaps in the knowledge and competence of health care providers in an engaging and personalized manner to promote the appropriate use and care of patients with pain, while reducing serious adverse outcomes resulting from inappropriate prescribing, misuse, and abuse of opioid analgesics while maintaining patient access to effective pain management.

Accessible through ACOOG's App or by visiting

Welcome to the 2019 Advances in Women's Health

Conference Chairs

Cecilia Banga, DO

Andrew Zink, DO

On behalf of the American College of Osteopathic Obstetricians and Gynecologists, we want to welcome you to the 2019 Advances in Women's Health conference. The new name for the former Fall Conference represents a new direction. This conference is evolving to represent our latest understandings and findings in women's health. We have selected topics based on current and evolving clinical issues. We hope you like the format and the exciting changes that are coming.

We're excited you're here! Feel free to reach out to us (maybe on the new app!) or the ACOOG Board or staff if you have any concerns, accolades or suggestions!

C. Banga D.O.

A. Zink DO

President's Welcome

Welcome to Columbus!

I am truly excited for the new and improved fall conference - Advances in Women's Health. Drs. Banga and Zink have done an excellent job selecting relevant and timely topics with quality speakers. I am confident this conference will be up to and hopefully exceed your expectations.

I am also excited for our new mobile app. It provides you access to a wealth of information about this conference, and at ACOOG throughout the year. Please download it, log in and try it out.

Thank you for attending. Feel free to reach out to me or any other board member for any questions or concerns.

A handwritten signature in black ink, appearing to read "Thomas Dardarian".

Thomas S. Dardarian, DO, FACOG (Dist.)
2019-2020 President
American College of Osteopathic
Obstetricians and Gynecologists

About 2019's Advances in Women's Health

This conference has been carefully designed to meet the unique educational needs of women's healthcare physicians and providers. It offers advanced approaches to a variety of clinical topics and emerging issues faced by OB/GYNs. In addition to topics presented by leading experts, this year's schedule provides an opportunity to participate in hands on workshops and interact with peers and colleagues from around the country.

Learning Objectives

Those participating in this activity will receive information that should allow them to...

- Enhance the skills needed to diagnose and manage common and uncommon clinical challenges faced in a modern OB/GYN practice;
- Address current and future OB/GYN practice issues;
- Apply advances in understanding, technology and therapeutics to facilitate improved patient care and outcomes.

Successful Completion

Participation in the activity, completion of the online attestation form, completion of the online postcourse evaluation and completion of the postcourse assessment are required to receive CME credit and a certificate of attendance. **ACCOG's app is the preferred method of completing these requirements. If you need an alternate method, please see the conference desk.**

Commercial Support

ACCOG extends its thanks to the following companies for providing commercial support as educational grants for this activity.

AbbVie

Lupin Pharmaceuticals

Ferring Pharmaceuticals

Philips Ultrasound

(list current at time of publication)

Accreditation & Credit

The American College of Osteopathic Obstetricians & Gynecologists is accredited by the American Osteopathic Association to award continuing medical education credits to physicians.

The AOA Council on Continuing Medical Education approves this program for up to 24.25 credits of AOA Category 1-A CME for The American College of Osteopathic Obstetricians & Gynecologists. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Antidote Education Company and the American College of Osteopathic Obstetricians and Gynecologists. Antidote Education Company is accredited by the ACCME to provide continuing medical education for physicians.

Antidote Education Company designates this live activity for a maximum of 24.25 *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

NPs & PAs

The American Academy of Nurse Practitioners Certification Board (AANPCB) recognizes activities approved for Category 1-A credit through the American Osteopathic Association as providing advanced practice CE content hours for applicants seeking renewal through continuing education credit.

The National Commission on Certification of Physician Assistants (NCCPA) recognizes activities approved for Category 1-A credit through the American Osteopathic Association as Regular Category 1 CME for national certification maintenance. All

NPs and PAs participating in this activity will receive a certificate of completion commensurate with the extent of their participation in the activity. ACOOG recommends that NPs & PAs check with their certification/licensing authority to confirm credit reciprocity.

S.O.A.P. Service Project

“Save Our Adolescents from Prostitution” (S.O.A.P.) is a hands-on outreach to fight sex trafficking at large events and in communities.

S.O.A.P. was founded by author, advocate and survivor, Theresa Flores. On her worst night, after being auctioned off to nearly two dozen men in a dingy, dirty, inner city Detroit motel, Theresa recalled the only item that would have reached out to her, a bar of soap. With that in mind, she created S.O.A.P. – Save Our Adolescents from Prostitution – to help reach out to other victims.

S.O.A.P. National travels all over the U.S. to hold outreaches during large events. We partner with local organizations to distribute millions of bars of soap wrapped with a red band that gives the National Human Trafficking Hotline number – (888) 3737-888 – and resources to high-risk motels.

How You Can Help

- 1** On Thursday and Friday, tables will be set near the conference registration desk and networking areas. Plan to stop by to place labels on bars of soap and cleansing wipes. These will be delivered to local hotels as a lifeline for women experiencing sex trafficking.

- 2** Stop by the conference registration desk and make a donation to MEFACOOG to help support the S.O.A.P. Project.

- 3** Go to www.soaproject.org to discover other ways to get involved.

About MEFACOOG

The Medical Education Foundation of ACOOG (MEFACOOG) fosters ongoing improvements in women's healthcare and supports osteopathic lifelong educational opportunities. Through donations alone, MEFACOOG helps each current and future member of ACOOG through:

- The Resident Reporter Program
- The Resident Research Forums
- Resident Poster Awards at Annual Conference
- Four endowed lectures at ACOOG CME events
- Community Service Projects

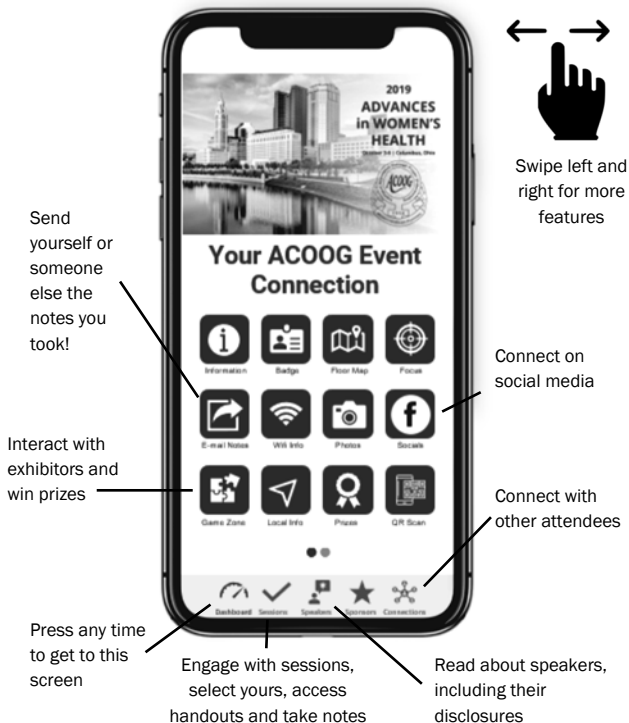

Please Donate to MEFACOOG

Your donations enable MEFACOOG to strengthen ACOOG's CME programs and be a resource to the next generation of obstetricians and gynecologists. How can you help?

- Donate to MEFACOOG today at the conference registration desk
- Shop AmazonSmile (smile.amazon.com) and designate Medical Education Foundation of the Amer Coll of Osteopathic Ob-Gyn, Location: Fort Worth, TX as your charity and a portion of everything you buy goes to MEFACOOG
- Donate online any time at www.acoog.org/WEB/Online/Fundraising/Donate_Now.aspx (you can even set up a monthly gift)

The New ACOOG App Quick Start Guide

We're excited to present the new ACOOG App. In addition to a full-featured events platform, it will help you stay engaged with ACOOG throughout the year, providing a one-stop-shop for almost anything you need, including news, updates, membership renewals and conference registration! Here are a few of the highlights:

Students & Residents

We are delighted you chose to attend 2019 Advances in Women's Health conference. You're passionate about women's health, and being actively involved in ACOOG is a great way to keep current on issues, influence policy and continue to deliver excellent care. We're glad you're here!

Take note of the following activities we have just for you. And, check with the conference desk to inquire about tickets that may have been donated by members for you to attend Saturday's social event.

Thursday, October 3, 2019

1 PM - 3 PM Resident Research Training Workshop
Union DE

Friday, October 4, 2019

5:30 PM - 7 PM Residency Fair
and National Student Society (NSS) Mixer
Fairfield

Saturday, October 5, 2019

8 AM - 12 PM Medical Student Education Program (*Union E*)

- Residency Panel
- OMM Session (1st & 2nd Year students)
- Mock Interviews (3rd & 4th Year students)

3:30 PM - 5 PM National Student Society (NSS-ACOOG)
(Mandatory for NSS-ACOOG Representatives)
Union E

7 PM Social Event (open to all conference attendees)
The Big Bang, 401 N. Front St. #95, Columbus

Thursday, October 3, 2019

*Dr. Andrew Zink's presentation will include discussion of treatments for vaginitis that may not be FDA approved.

Disclosures

ACCOG requires everyone who is in a position to control the content of an education activity, or their spouse/partner, to disclose all relevant financial relationships with any ACCME-defined commercial interest. A relationship does not suggest anything improper, simply a potential conflict to be resolved. Planners and presenters for this activity have disclosed the following (please see the app for any updates):

Planners and Presenters with Nothing to Disclose

All ACCOG Staff	Liberi, Karen
All CME Committee Members	Meredith, Stephanie
Banga, Cecilia	Papp, Jennifer
Berger, Daniel	Perez, James
Bernardini, Catherine	Rajchel, Stephanie
Birkenholz, Michelle	Roncone, Jennifer
Bradford, William	Schnatz, Peter
Castle, Lindsay	Schulte, Valerie
Christie, Carl	Seibles, Shania
Crites Perez, Lori	Shareef, Sameerah
Dardarian, Thomas	Spears, Sara
Flores, Theresa	Voeltz, Michele
Guevara, Madeleine	Winters, Tyree
Holland, Larry	Zink, Andrew
Horvath, Sarah	ACCOG has no relationship
Hyppolite, Natalie	to disclose

Planners and Presenters with a Relationship to Disclose

Dr. Andrew Croak disclosed: Intuitive - Surgical proctor; Boston Scientific - Consultant/Outreach Grant Recipient; Coloplast - Consultant/Outreach Grant Recipient. (*peer reviewed, no conflict*)

Dr. Mona Prasad disclosed: Participation on a medical advisory board for Gilead Pharmaceuticals to advise on the propriety of universal screening for HCV in pregnant women. (*unrelated to content of presentation*)

Dr. Bonnie Mason Simpson disclosed: Steering committee member for Movement is Life, a community organization funded by Zimmer Biomet. (*unrelated to content of presentation*)

Each of these potential conflicts have been reviewed and resolved.

Important Meetings & Events

Please make note of the following important meetings and events held in conjunction with ACOOG's 2019 Advances in Women's Health.

Thursday, October 3, 2019

- | | |
|--------------|--------------------------------------------------------|
| 8 AM - 12 PM | ACOOG Board of Trustees

| 7 PM | Social Event (open to all conference attendees)
<i>The Big Bang, 401 N. Front St. #95, Columbus</i> |

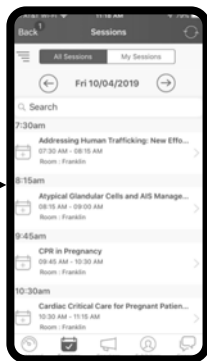

Claiming CME Credit

The ACOOG App is the easiest, most efficient method of completing the requirements for claiming credit.

Deadline to Claim Credit: Monday, October 21, 2019

Complete your session evaluations as you go or anytime during the conference after the session occurs

To claim credit at the end of the conference

1. Log into the Certification Manager site
2. Select the sessions you have attended
3. Complete evaluations for each of the sessions, if you haven't already
4. Follow the prompts to claim credit get your certificate

Credit Claiming Deadline October 21, 2019

The credit window is open for 14 days from the close of the conference. After the date above, requests for CME will require a written request and be assessed a \$50 non-refundable fee. Requests for special consideration are decided on a case-by-case basis.

Alternate Attestation

The preferred method of attestation and claiming credit is using the free ACOOG app. However, if an alternate method is desired, please see the conference registration desk to access web-based evaluations. If you choose this method, you will be required to complete all evaluations and attestation items in one sitting. Please see the conference registration desk for details.

Additional Credit

Between 14 and 30 days after the conference, you will be e-mailed an outcomes measurement assessment. Those who complete this assessment before the deadline will earn up to 2 additional Category 1-A CME credits, per AOA guidelines, at no additional charge. This does not apply for *AMA PRA* credit.

Grievances

Any registrant finding evidence that the continuing medical education program presented is inappropriate with regard to facilities, materials, content, or observes any unacceptable promotion by a commercial interest in the same room as the educational activity, whether by company representative or presenter, may submit a grievance in writing to ACOOG, 201 Main Street, Suite 600, Fort Worth, TX 76102. Unresolved issues regarding this activity will require a formal written complaint to the AOA Division of CME, 142 East Ontario Street, Chicago, IL 60611.

VEREGEN[®]
