Posters for this conference are limited to Medical Students

Please only submit a poster if you can attend the conference.

What you enter on the submission form will be provided to all conference participants.
Please enter information with care.

SUBMISSION DEADLINE

Sunday, August 30, 2026, 5 PM Central Time
Extensions cannot be granted.

ABOUT THIS POSTER SESSION

Date: Friday, October 2, 2026

Time: Set-up: 7 AM – 10 AM | Poster Session: 12:30 PM – 4 PM

The NSS Poster Session is only open to student members of the ACOOG National Student Society. **Osteopathic Medical Students involved in a women's health club at their school, or interested in pursuing an OBGYN residency, are automatically granted membership.** Becoming an ACOOG member is required, and it is free for DO and MD medical students. **You must be an ACOOG member to submit a poster.**

This is a non-juried poster session. All posters submitted are accepted if they are complete and the subject matter is related to women's health. ACOOG members will vote on their overall favorite poster. ACOOG reserves the right to reject any poster.

ALL POSTER SESSION PARTICIPANTS MUST

- Be ACOOG Members (free for students)
- Register for the conference
- Attend the conference
- Stay at the conference hotel
- Be at their poster during the scheduled poster session

ABOUT THE FORM

The submission form has logic built-in and will show relevant fields when you select the type of presentation.

QUESTIONS? Please contact Andrew Crim, M.Ed., CHCP, ACOOG's Director of Education & Professional Development if you have questions. E-mail: acrim@acoog.org

POSTER DESIGN GUIDELINES

- **Poster Size:** Posters should be a **maximum** of 60 inches wide x 48 inches tall or smaller. Larger posters WILL NOT fit on the provided boards.
- **You are responsible for printing your own poster and bringing it to the conference.** ACOOG will provide poster display boards and pins.
- ACOOG provides a poster template. You ARE NOT required to use this template.
- You must have written permission to use the photos in your poster if they are not your own.
- ACOOG recognizes the use of generative artificial intelligence (AI) as a powerful tool for educators and researchers and encourages its responsible and ethical use. If any form of generative AI is utilized for this poster it must be clearly acknowledged in the appropriate section(s). It is expected that authors will review any AI-generated copy, figures, images, citations, or statements for accuracy and edit accordingly. Presenting inaccurate information generated by AI will result in disqualification.
- All posters must be uploaded online at time of submission. You will only be able to upload a PowerPoint or PDF file (one slide) up to 25 MB in size.
