10 - 10:50 a.m.	<p>Innovation and Ideation Breakout Session: Preparing for a Successful Implementation of the New National Career Clusters Framework</p> <p>The modernized National Career Clusters Framework offers opportunities to further modernize CTE systems by encouraging more interdisciplinary and interconnected CTE programs of study and experiences across learner levels. These ideation sessions will offer a space for participants to engage in collaborative thinking and problem-solving to help move the needle on</p>

	key policies, practices, and partnerships to jumpstart the adoption and implementation of the newly released Career Clusters Framework.
11 - 11:50 a.m.	Innovation and Ideation Breakout Session (repeated): Preparing for a Successful Implementation of the New National Career Clusters Framework
12 - 12:50 p.m.	Networking Lunch
1 - 1:50 p.m.	Breakout Sessions: Elements of High-Quality CTE Since 2021, states have used the national <i>CTE Without Limits</i> vision to elevate the quality and impact of CTE programs and systems. The vision has also illuminated areas where additional knowledge and resources are necessary to continue the journey to maximize high-quality CTE. These breakout sessions provide insights on state successes and Advance CTE initiatives and resources for some of the most complex issues shaping CTE's future.
2 - 3 p.m.	Breakout Sessions: Building Collaborative Approaches to High-Quality CTE Collaboration is a key component to successfully shaping CTE as a connective experience for learners and supporting actors. These breakout sessions will elevate state successes and lessons learned in creating meaning spaces and processes for collaboration, including innovation and relationship building through Perkins V implementation.
3 - 3:30 p.m.	Break
3:30 - 4:20 p.m.	Role-Alike Networking Sessions State CTE teams encompass a variety of roles with unique responsibilities, opportunities, and challenges. This session provides space for role-specific conversations through question prompts to share challenges and promising practices, including for implementation for the modernized Career Clusters Framework.
