2022-23 MEMBER STRATEGIC PLAN FOR SUCCESS

Welcome to the AENC Member Strategic Plan for Success! Membership and success made easy at AENC.

We know you are very busy, and while AENC is important to you, we are just one of the many responsibilities you have. So, we are going to make working with and benefiting from AENC easier than ever!

In this plan document, you will find information about:

1. Your membership options and how to maximize the exposure of your staff.
2. Opportunities to sponsor and exhibit at AENC "Signature Events".
3. How you can advertise with AENC to create lasting impressions on Association buyers.

We know your resources are limited, so this document will help you create a plan for success, at one time, and within your budget. No more going back to the boss throughout the year asking for more money. This is your opportunity for a one-stop planning experience!
