OSHA 30-Hour for Construction

Geared toward supervisors and team members who have safety-specific responsibilities

AGC Georgia
The Construction Association

About the Course

Many owners and prime contractors require completion of this course prior to working on certain projects.

Through live instruction by seasoned construction professionals, participants will learn how to recognize construction hazards, avoidance, control, and prevention.

Learning Objectives Include:

- Introduction to OSHA
- Managing Safety and Health
- OSHA Focus Four Hazards (Falls, Caught In-between, Struck-by, and Electrical)
- Other Industry Specific Topics ie. Cranes, scaffolds, material handling, and concrete/masonry

Upon successful course completion, attendees receive an OSHA 30-Hour Construction Outreach Course card. The card is issued by the Georgia Tech Outreach Training Institute and is typically available 3-4 weeks after the course concludes.
