About the Course

Building a Strong Business Foundation: Essential Payroll, HR, Compliant & IT for Construction Employers.

Designed for construction business owners, executives, managers, and operations professionals, this practical continuing education course covers the essential administrative responsibilities of running and growing a construction company.

Participants will gain real-world guidance on **payroll, HR, employee benefits, employment compliance, IT, cybersecurity, and business operations**, including wage and hour requirements, hiring and onboarding, employee documentation, leave and benefits administration, I-9 compliance, workplace policies, data protection, and business continuity.

The course focuses on **what employers need to know, where common risks arise, and where to start when improvements are needed.** Attendees will leave with practical tools and a clearer roadmap for reducing risk, supporting employees, strengthening internal processes, and building a more efficient, scalable business.
