AGC OF AMERICA'S SUPERVISORY TRAINING PROGRAM

AGC GEORGIA PRESENTS A SESSION ON . . .

Risk Management and Problem Solving

June 24 -25, 2027
8:00 am – 4:30 pm each day
Middle Georgia State University – Macon Campus, 100 University Parkway, Macon 31206
Instructor: Daphene Koch, Build Your Know, LLC

The Associated General Contractors of America's Supervisory Training Program (STP) is a construction-specific training curriculum developed, updated and field-tested by and for contractors. Supervisory skill – or the lack of it – directly affects every company's bottom line. You make your money in the field, and STP can help you improve your organization's bottom line.

STP focuses on the knowledge and skills every supervisor must have to be an effective manager of people, time, equipment and materials.

The **Risk Management and Problem Solving session** will cover the roles and responsibilities of a construction supervisor in accident prevention and loss control.

- Safety leadership, communication and expectations
- Planning for site safety
- Site safety management
- Site security and protection
- Multi-employer jobsite safety
- Construction risk management
- Safety and human resources
- Regulatory procedures, recordkeeping and documents

Who should attend? Field superintendents, foremen, assistant project managers, and project managers

About the Instructor – Daphene has over 15 years of construction industry experience on commercial and industrial projects. Her roles have included project manager, safety manager, construction services leader and pipefitters help.

Please note: Registrants are required to purchase Supervisor Training Program (STP) Risk Management and Problem Solving (10th Edition) Participant's Manual in hard copy or e-book form from AGC of America's Bookstore.

Follow the steps below to make your eBook ($50) or hard copy ($110) book purchase.

1) Login or create an account AGC of America's Bookstore
2) Click on Curriculum, then STP
3) Search for participants manual either eBook or hard copy of Risk Management and Problem Solving 10th Edition

STP is offered nationwide in partnership with AGC of America chapters, individual construction firms and educational institutions. Gain the knowledge and skills every supervisor needs with AGC's STP Curriculum.
