Anti-Trust Compliance Statement: It is the practice of The American Institute of Architects and its members to comply strictly with all laws, including federal and state antitrust laws that apply to AIA operations and activities. Accordingly, this meeting will be conducted in full compliance with those laws.

Diversity Statement: The American Institute of Architects, as part of the global community, champions a culture of equity, diversity, and inclusion within the profession of architecture to create a better environment for all. Achieving this vision has a direct impact on the relevance of our profession and the world's prosperity, health, and future.
