

2026 Dues Proposal

The AIA dues rates have been released with a 3.2% (CPI) increase for 2026
The deadline for chapters to submit 2026 state/local dues rates is September 15, 2025.

Rules of the Organization:

6.1.3 Indexed Dues Adjustments. Notwithstanding the Board's authority to increase or decrease dues levels as it sees fit, an annual dues increase indexed to AIA National's annual dues adjustment shall be enacted without further action of the Board.

The AIA Virginia board recognizes current challenges and empathizes with our members. We also believe that our members need their AIA membership more than ever. We are committed to keeping member programs as strong as possible while considering new and enhanced programming to stay relevant and valuable to our members.

Recent value adds (while continuing the good work of existing initiatives):

Educate and Prepare

- Starting a non-traditional member roundtable for those who do not practice in a traditional firm setting
- Building a subject matter expertise database to build valuable relationships with legislators

Advance Knowledge

- Leaders in Architecture & Business (LAB) mid-career professional leadership development
- Passing legislation to create an alternate path to licensure

Broaden the Tent

- Increasing architecture student participation in signature programs
- Partnership with VANOMA and representation on advisory councils and committees

Organizational Excellence

- Collaborating with local components to provide membership services and support
- Reinvesting office expenses into programs
