

2-1-1 Big Bend, Inc.
988 Program Coordinator
Position Description
1 FTE

General

2-1-1 Big Bend operates Helpline 2-1-1, the Florida HIV/AIDS Hotline and the Family Health Line. In addition, the agency answers calls for the 988 Suicide & Crisis Lifeline, Florida Veterans Support Line (MyFLVet) and other organizations that contract with 2-1-1 Big Bend for hotline services. Help Me Grow (HMG) is an agency program that is designed to identify children eight and younger at-risk for developmental or behavioral challenges and connect them with community-based programs for health and developmental services. Volunteer and paid hotline Counselors provide callers with free, confidential supportive counseling, crisis intervention, and information and referrals to social services.

The 988 Program Coordinator manages Hotline Counselor II positions and Hotline Counselor I positions as needed. Staff management duties include assisting with contact center training, evaluation and supervision of staff, working with the department managers to create schedules for the Hotline Counselor II positions, managing staff assignments (e.g., follow-up, feedback, and advocacy), and answering hotlines during staff shortages. The 988 Program Coordinator also completes reporting on hotline metrics and oversees expansion of 2-1-1 Big Bend's 988 hotline program. This position necessitates the ability to take direction on projects and comfortability in creating new systems and processes for the 988 program.

Work hours will be scheduled primarily Monday through Friday. Occasional weekend or evening work will be required. In times of community emergencies, the agency provides services that may require agency staff to be available for extended shifts, providing phone coverage and/or other functions needed to continue operations. Because Helpline 2-1-1 and 988 Suicide & Crisis Lifeline are operated 24/7, including holidays, the 988 Program Coordinator may be required to work on some holidays. The 988 Program Coordinator reports to the Director of Hotline Programs.

Minimum Qualifications

BA/BS degree in psychology, social work or related field preferred or two years' experience as a Hotline Counselor at 2-1-1 Big Bend. Supervisory experience is preferred, and experience in working or volunteering on 2-1-1 Big Bend's training staff is highly preferable. Applicants should have a motivation to help people, a non-judgmental attitude, an ability to empathize, and excellent interpersonal, verbal, and written communication skills.

Applicants who have successfully completed 2-1-1 Big Bend Hotline Counselor Training, Florida HIV/AIDS Hotline Counselor Training, Family Health Line Training, Shift Supervisor Training, Applied Suicide Intervention Skills Training (ASIST), and have 200 hours of hotline experience with satisfactory evaluations (including attendance) in all positions held are preferred.

Applicants should possess intermediate computer skills and be proficient in typing and computer navigation. Applicants should possess the ability to view/read printed resources on a computer, in books or other printed materials. Applicants should be able to communicate with hotline contacts (callers, chatters, texters) while communicating with their Off-Site Supervisor.

Applicants must be fluent in English (including speaking, writing and comprehending). This includes the ability to establish a relationship with callers, identify their problems, reflect their feelings and explore their alternatives. Because services are provided via telephone this may require the ability to identify subtle inferences about a caller's situation, thus a solid command of the English language is required. Must be able to work eight or more hours consecutively.

Training and Supervision

The 988 Program Coordinator receives ongoing training through in-service training, online resources, and direct supervision and evaluation. Other training opportunities will be provided as resources permit. The 988 Program Coordinator is required to take the national certification tests provided by Inform USA and the American Association of Suicidology (AAS) once eligible for these certifications per 2-1-1 Big Bend's accreditation standards. The agency will provide training in preparation for the Inform USA and AAS certification examinations and pay for exam fees. The 988 Program Coordinator is expected to prepare and take the exams at least once a year until certified, and then maintain these certifications throughout employment.
