## ANNOUNCEMENTS

### Urgent Call to Action: Contact Your Legislators

APTA and the Academy of Education are deeply concerned by the recent recommendation from the Reimagining and Improving Student Education, or RISE, Negotiated Rulemaking Committee, which, if enacted, would designate the doctor of

physical therapy degree — and dozens of other health care professional degrees — as a graduate degree rather than a professional degree.

If this proposed definition is adopted via official rulemaking by the Department of Education, the ability to borrow for federal student loans would be severely reduced, threatening to limit the physical therapy workforce at a time of nationwide shortages.

APTA strongly opposes this proposal and will continue to engage with the Department of Education to advocate for the profession, most especially when the proposed rule is published for public comment in early 2026. APTA is urging Congress to intervene, as the proposed definition runs contrary to congressional intent.

APTA members and other advocates can use the [APTA Patient Action Center](#) to send a prepared email, with key points, to members of Congress.

Although this recommendation is not final and is subject to additional steps that include a public comment period, APTA believes the idea is misguided and misinformed and will have a significant negative impact on the health of our communities and country by diminishing the number of quality health care professionals available to an already strained workforce.

## Simulation Networking Community Launches Monthly Chats

We are pleased to share the launch of SimChats! This monthly meeting is a dedicated space for AoE members with interest in simulation to connect, exchange ideas, and collaborate on best practices. Each session highlights current topics in simulation-based education, offers opportunities for members to share experiences or challenges, and fosters meaningful discussion across diverse roles and settings. Whether you are new to simulation or a seasoned expert, this gathering provides a supportive environment to learn, network, and strengthen our collective impact on healthcare education and patient outcomes.

SimChats is launching on **Thursday, January 8, 2026 at noon EST.**

We will discuss tools for building simulation scenarios and share a new scenario builder that the Simulation Networking Community has been working on.

We will also have an open forum to discuss your questions and ideas related to simulation-based learning.

Please join SimChats at [SimChats Zoom](#) :  
Meeting ID: 947 3412 5901 Passcode: 751877

## **Physical Therapy Faculty Development Workshop (PTFDW)**

# 2026 Physical Therapy Faculty Development Workshop

The Academy is excited to offer two versions of the workshop this year: virtual in March and in-person in July.

**REGISTER NOW**

## Virtual

March 2 - 4  
Zoom

## In-person

July 29 - August 1  
Chicago, IL

### Workshop Goals:

1. Introduce novice faculty to established roles in the academy.
2. Facilitate professional growth of developing faculty members.
3. Cultivate a network of academic colleagues among workshop participants and facilitators.
4. Create a professional development plan incorporating elements of teaching, scholarship and service.
5. Design instructional activities and assessment methods that reflect contemporary best practices.
6. Examine the integration of cultural humility within the physical therapy curricula.

### Focused Learning Opportunities:

1. Discussions on balancing responsibilities of teaching, research and service as the new faculty member acclimates to a role in higher education.
2. Applying core principles of teaching and learning, using best practices in course development, student assessments, and student engagement.
3. Fostering professionalism and coaching.
4. Focusing on the unique role of the Director of Clinical Education (DCE) as a member of the faculty team.
5. Individual or small group consulting opportunities with faculty facilitators during the workshop.
6. Post course synchronous networking and follow-up for participants.

## 2026 Promotion of Doctoral Studies Scholarships Applications are Open!

In 2026, the APTA Academy of Education is supporting an award available to pre-candidate doctoral students (\$7,500) or doctoral candidates (\$15,000). Applicants must be members of both APTA and the Academy at the time the application is submitted.

Doctoral students and candidates who are focused on PT education research are not limited to this award. They may apply and be eligible for non-restricted awards, too.

### Key Dates:

- **Application deadline:** January 20, 2026, 4:59 p.m. ET
- **Award announcements:** Late June 2026
- **Scholarship start date:** September 1, 2026
