Agenda

- **Greetings:** Sara Kraft
- **Overview of Program:** Sara Kraft
- **Agenda:** Chrysta Lloyd
 - Open discussion: Q&A
 - Topics: Curriculum Design, Mentoring, Annual Reports, Accreditation/Re-accreditation
 - Discussion leaders: David Nolan, Sara Kraft

- **Curriculum Design**
 - Finding the best Specialization Prep course: Is Med bridge the best choice?
 - Use the score report from Specialization exam to see opportunities for growth in program design.

- **Mentoring**
 - Mentoring new clinicians is a challenge: Try to understand their strengths and weakness
 - Mentor training: How to keep mentors trained, engaged and committed to mentoring
 - Mentoring: Getting all stakeholders to understand the time commitment required. Use a contract w/ clinical partner, mentor, resident with time commitment in writing.

- **Annual Report**
 - Professional Development: How to measure and track it. Option: survey residents and mentors to capture change in real time based on feedback.
 - Future Podcast to come regarding this topic

- **Reaccreditation**
 - Documenting program changes: Use meeting minutes, Report how you are tracking success of changes made, Document how changes are communicated, Report the process and to whom the changes will affect.
