Building bridges of collaboration and communication across specialty areas for advancing residency and fellowship research, mentoring, and curriculum.

Thank you!

I am honored to be elected as your incoming RFESIG Chair. Thank you for voting! Your input is always needed and appreciated. I would like to thank the outgoing officers, Lisa Black, Becky Olson-Kellogg, and Elizabeth Lane, for establishing our SIG as a leader in the residency and fellowship community. As I transition into this role, I will strive to continue the efforts of Lisa, the outgoing Chair, in uniting the community and driving residency and fellowship education forward. I look forward to collaborating with our members and all residency and fellowship programs. As Henry Ford once said, "If everyone is moving forward together, then success takes care of itself."

Sincerely,

Sara Kraft, Chair
