## **Agenda**

1. Intros
2. ERN stuff
  - a. New initiative from APTA will build a database to build collaborations—that may help with the tech aspects of what SoE SIG is trying to accomplish so we have a place to refer individuals looking for SoE collaborators.
  - b. As a SIG, we can continue to mentor with education-networking events
  - c. AoE is starting a sequence of courses to create a PT Education certification series.
  - d. ERN event at ELC now includes “best poster”/“best platform” recognition and the SoE SIG leadership team will assist in that review process (due 8/14) and help with the ERN event @ ELC, which is Friday, 10/13 @ 8:15 p.m.
3. Come up with two strategic goals for this year (link to Academy goals: [https://aptaeducation.org/about-apta-education/about-us.cfm#academy\\_goals](https://aptaeducation.org/about-apta-education/about-us.cfm#academy_goals) )
  - a. Reviewed AoE strategic goals on AoE website
  - b. Our current goal-oriented items are Zoom meetings to network, writing time with peer feedback, JOPTE journal club (sponsored by SoE SIG)

### Discussion:

- Aim for 4/year (quarterly) to accompany our 2 in-person meetings (CSM and ELC).
  - Could be content-specific or task-specific.
    - How to write IRB
      - FERPA guidelines, what constitutes protected information?
      - Consider exempt vs. not and how to address these issues
    - How to translate theory to practice
    - Draw on how evidence informs teaching (e.g., for psychomotor learning, etc.)
- 1) **Goal 1:** Hold quarterly zoom meetings to connect members, non-members (e.g., other SIGs and Academies), to advance PT education research (AoE goals 2 & 3)
    - a. Each session will address a specific topic and have opportunities for participants to discuss relevant ideas
    - b. Use meetings as opportunities to recruit education research mentors and identify areas of expertise and potential to contribute (e.g., dissertation committee, peer feedback on a specific paper, etc.). Work with other groups (mini-gamer, GAMER, current research ongoing) to identify opportunities
  - 2) **Goal 2:** Coordinate with AoE to sponsor a minimum of three online JOPTE Journal Club sessions per year to explore educational research and provide members and non-members with opportunities for discussion (AoE goals 1, 2, & 3)
