

## CSM Business Meeting

2/23/23 06:30-08:30pm PST

Leadership in attendance: Sarah Gilliland, Teresa Brown, and Tricia Prokop

- I. President Pam Levangie
  - a. Update on Education Research Collaborative through APTA
  - b. ELI now through the Academy
  - c. Professional Development opportunities being considered such as certifications
  - d. Needs assessment coming soon
- II. Chair Sarah Gilliland
  - a. Business updates
    - i. Sign up for SIG
    - ii. JOPTe journal club – check if it will be recorded
    - iii. Open officer positions
  - b. Review of SIG objectives
- III. Member Introductions
- IV. SOE SIG Objectives Brainstorming
  - a. Promote educational scholarship in physical therapy
    - i. How to establish an educational research lab at an institution
      1. Do we create a monthly drop-in lab meeting for the SIG
    - ii. How to take information and translate the importance to faculty
      1. How to help get faculty buy in to the importance of the SOE
    - iii. Teaching vs. Scholarly teaching vs. Scholarship of teaching
      1. How to turn your teaching into scholarly teaching and then progresses to scholarship of teaching
      2. Suspect that many people teaching in DPT programs may not understand this
    - iv. How to support scholarship of teaching in a department where the priority is clinical research
      1. If SOE is not perceived to be as rigorous, etc.
    - v. List of good places to publish outside of JOPTe
      1. The Academy is getting a new website, so we may have more control over the website
      2. Something like MedEdPORTAL that counts towards scholarship
    - vi. Target clinical faculty who need to do scholarship for CAPTE but it doesn't count towards their merit
      1. Encourage clinical faculty to do SOE because they have to do 80% teaching
    - vii. How do we reach out to the clinical faculty
      1. Target with large companies such as ATI that educate the clinical faculty. They have the human resources
  - b. Provide role modeling, mentorship and support for researchers interested in educational research AND Foster networking and collaboration among researchers
    - i. Consider a pipeline through mini-GAMER, GAMER

1. How to formalize mentorship through existing programs that have the infrastructure to support it
2. Have “graduates” become mentors
- ii. Resources to ask questions (list serve)
  1. We do have a message board, but a list serve that comes to us would be better
- iii. APTA used to have the option to request a mentor
- iv. More frequent SIG meetings via Zoom to allow for more frequent
- v. Consider social media use to allow for asking questions
  1. Maybe allow for anonymous posting to allow for vulnerability
- vi. Brainstorming opportunities
  1. Education research circle
- c. Assist in the exploration of best practices in physical therapy education and facilitate the translation of these findings into practice
  - i. MedEdPORTAL
  - ii. Help people translate ed research into practice
  - iii. What are best practices in education
  - iv. Need a broader reach to the clinical faculty
    1. Language is a barrier. Exhausting to digest articles that are not familiar language
    2. Small group discussions to allow clinical faculty to ask questions and discuss with experts
  - v. Aligns with Academy goal to establish competencies for best practices in teaching
    1. SOE SIG needs to continue to inform that development
  - vi. Introduction to theory
  - vii. Make education research more accessible
    1. SIG could create an ed session on theory
    2. Can we infiltrate the section journals

V. Closing

- a. Minutes will be posted on the website for members to view
- b. Leadership team will review these ideas and reach out with some next steps

Prepared by: Tricia Prokop
