

Membership

Join the national professional association for pelvic and abdominal health physical therapy professionals!

We are a member-led, collaborative community of 4,000+ strong and passionate Physical Therapists, Physical Therapist Assistants, and Student Physical Therapists specializing in pelvic & abdominal health physical therapy.

As an Academy member, you will:

- **Meet fellow professionals in pelvic and abdominal health**
- **Build your professional network of peers, experts, and leaders**
- **Save money on conferences, certification courses, and events**
- **Unlock access to research, practice, and advocacy resources**
- **Gain eligibility for scholarships, grants, and other opportunities**

When you become part of the Academy of Pelvic Health Physical Therapy, a pivotal force within the *American Physical Therapy Association*, you not only enrich your professional journey, but you join a movement that shapes the voice and future of our profession.

The Academy stands as the enduring legacy of our members, built upon the cornerstones of evidence-based practice, pioneering education, impactful research, and our collective aspiration to improve healthcare standards and bring transformative change to lives across the globe.
