

NEWS RELEASE

Grand Rapids State Bank Announces Internal Promotions and New Hire

For Immediate Release: Friday, January 10, 2025

Grand Rapids, MN--- Grand Rapids State Bank announced that Sam Worlie has been promoted to the position of Director of Information Technology, and Kristi Poling was promoted to the position of Director of Marketing.

Worlie joined Grand Rapids State Bank in 2014 and most recently served as Network Administrator. He graduated from the Hibbing Community College Microcomputer Technology program in 2012.

Poling joined Grand Rapids State Bank in 2015 and most recently served as Marketing and Creative Services Manager. She attended the University of Minnesota-Twin Cities College of Design and earned a Bachelor of Fine Arts (BFA) degree in graphic design with a minor in art.

Grand Rapids State Bank also announced Sam Metzgar has been hired as the Facilities Manager. Prior to joining GRSB, Sam was employed as a Project Manager for ServiceMaster for over 20 years.

Noah W. Wilcox, Grand Rapids State Bank President and CEO, commented: "I would like to congratulate Sam and Kristi on their promotions and welcome Sam Metzgar to GRSB. These internal advancements reflect not only individual excellence but also the continued strength and success of Grand Rapids State Bank as a whole."

#

Grand Rapids State Bank is a locally-owned and -operated community bank that has served Grand Rapids and the surrounding communities for 110 years. The Wilcox family maintains a commitment to affirming the bank's mission: to be an industry-leading, independent financial institution that makes a positive difference in the financial lives of everyone it serves.
