2027 Annual Partner Program

The 2027 BOMA Oakland/East Bay Partner Program offers valuable opportunities to boost your company's visibility, build meaningful relationships, and connect directly with commercial real estate decision-makers year-round. Partners enjoy year-round recognition through BOMA OEB events, publications, digital communications, and our website.

Premier partnership levels include exclusive sponsorship opportunities across our signature networking events, industry luncheons, educational programs, and mixers. These sponsorships provide prominent logo placement in event promotions, website listings, and communications, along with opportunities for your team to welcome attendees and receive special recognition at the event.

More than sponsorship, it's an opportunity to strengthen relationships, showcase your expertise, and position your company as a valued partner in the East Bay commercial real estate community.
