

Jason Hancock is a seasoned District Service Manager with Capital Square Living, and has more than 20 years of hands-on experience across electrical, HVAC, plumbing, and multifamily maintenance operations. Known for his practical expertise and steady leadership, Jason plays a key role in supporting property performance while maintaining safe, efficient, and well-maintained communities for residents.

He holds both EPA Universal and Certified Pool & Spa Operator (CPO) certifications, underscoring his commitment to compliance, safety, and operational excellence.

Throughout his career with organizations including Olympus Property, Continental Realty Corporation, and Steadfast Management, Jason has built a reputation for strengthening maintenance operations, developing high-performing teams, and driving consistent, reliable service. He takes pride in creating environments where both residents and onsite teams can thrive, with a clear focus on keeping communities running smoothly and delivering a high-quality living experience.
