McNAIR FAMILY SCHOLARSHIP

Honoring Nicholas R. Cimino

A Scholarship Designed for Adult Learners Working at a Georgia Community Bank

The McNair Family Scholarship recognizes and honors the achievements of Nicholas (Nick) R. Cimino. The scholarship will be awarded once per year to an adult learner who is currently employed at a Georgia community bank and plans to work towards an associate, bachelors, or trade degree. An adult learner is someone two years removed from high school and working at least 25 hours per week at a Georgia community bank. The award is for \$1,000.00 and will be paid directly to the institution of higher learning to offset student expenses (tuition, study materials, and expenses).

Nick Cimino was born in 1936 and lost his father at an early age. The youngest of two children, Nick was required to go to work after school to help support his mother and older sister- who were also working. When Nick graduated high school, funding for college was unavailable. A naturally talented artist, Nick took a job as a graphic designer and worked until he was drafted by the Army. After an honorable discharge (1961), Nick went back to ~~design chapter~~ and decided to use the G.I. bill to obtain further education and make a career change. In 1964, Nick enrolled in night school to pursue a college degree. The following year, he married the former Maryann Costaldo. Nick and Maryann started their family with the birth of Lisa (Cimino) McNair and two additional children followed. The endeavor to balance work, family and school was a challenge but perseverance prevailed. After eight years of night school, Nick graduated in 1972 with a bachelor's degree in marketing from LaSalle University (Philadelphia, PA).

Nick went on to have a successful career in sales and marketing with AMP Incorporated and retired in 2000 as a Global Account Director for the Consumer Appliance Division. During his tenure, Nick achieved many awards including AMP's U.S. Marketing Manager of the Year (1987) and the U.S. Sales & Marketing President's Excellence Club (1996). Nick and Maryann are comfortably retired, have three adult children, and three beautiful granddaughters.
