

# ICBA ThinkTECH Accelerator

## AP10 Companies

### Crux Analytics

Jacob Bennett, Founder and CEO  
[jacob@cruxanalytics.com](mailto:jacob@cruxanalytics.com)  
[www.cruxanalytics.com](http://www.cruxanalytics.com)

Uses agentic business development workflows to support small business client acquisition, engagement, and retention.

### Flatirons AI

Dan Bolger, Founder and CEO  
[dbolger@flatironsAI.com](mailto:dbolger@flatironsAI.com)  
[www.flatironsAI.com](http://www.flatironsAI.com)

Leverages generative artificial intelligence to support bank operations to improve the bank's overall compliance posture.

### InvestiFi

Kian Sarreshteh, Founder and CEO  
[kian@investifi.co](mailto:kian@investifi.co)  
[www.investifi.co](http://www.investifi.co)

Provides digital investment services directly from the account holder's checking account, bypassing third-party payment rails.

### Onsetto

Cale Johnston, Founder and CEO  
[Cale@onsetto.com](mailto:Cale@onsetto.com)  
[www.onsetto.com](http://www.onsetto.com)

A white label, AI powered platform that simplifies commercial account transitions to migrate accounts payments, receivables, and payroll systems.

### Parlay

Alex McLeod, Founder and CEO  
[alex@parlay.finance](mailto:alex@parlay.finance)  
[www.parlay.finance](http://www.parlay.finance)

A loan intelligence system designed to eliminate manual-intensive processes associated with small business and SBA lending intake.

### Socratix AI

Riya Jagetia, Founder and CEO  
[riya@getsocratix.ai](mailto:riya@getsocratix.ai)  
[www.getsocratix.ai](http://www.getsocratix.ai)

Builds secure, enterprise-grade AI agents that helps fraud and risk teams investigate alerts in real-time and deliver structured insights.
