J. Steven Walraven **MEMORIAL SCHOLARSHIP**

A Scholarship Designed Specifically for Full or Part-Time Community Bank Employees

Community Bankers Association of Georgia (CBA) and the Walraven family announce an annual scholarship through the **J. Steven Walraven Memorial Scholarship Fund** to a full or part-time Georgia community bank employee planning to attend or currently enrolled in a college, university or technical institute within the state of Georgia. The goal of the scholarship is to assist those employees interested in furthering their education while enhancing their career in community banking. To compete, employees must write a short essay on how community banking has impacted their life and how it will enable them to give back to their community.

The scholarship is named after the late **J. Steven Walraven**, a former community bank president who dedicated much of his life to his community and community banking. His wife Rebecca and their sons have developed the scholarship in his memory.

Steve was a graduate of Reinhardt College and University of Wisconsin School of Banking. He began his banking career at the First National Bank of Atlanta. He worked for Gordon County Bank and Bartow County Bank and became president of Peoples Bank in 1981. In 1988, he helped form First Community Bank & Trust, Cartersville, serving as president. In 1999, he was named president of United Bank & Trust in Rockmart.

Steve was a member of the Board of Directors of Community Bankers Association of Georgia and served as Treasurer.
