### **South Georgia Banking Company Announces Neil Shumans as New City President of Moultrie Market**

Moultrie, GA – September 3, 2024 – South Georgia Banking Company is pleased to announce the promotion of Neil Shumans to the position of City President of the Moultrie Market. This appointment marks a significant milestone in Neil's banking career and highlights the company's commitment to strengthening its leadership team.

Neil has demonstrated exceptional expertise and leadership in banking since 2004. He has held a range of positions over the years, starting out as a Customer Service Representative and advancing to roles of Consumer Lender, Branch Manager, and Commercial Lender. This extensive experience across different facets of banking has afforded him a comprehensive understanding of the industry; his dedication and accomplishments have secured this new position. Originally from Baxley, Georgia, Neil now resides in Colquitt County with his wife, Sabrina, and their two daughters, Abbie and Allie. In addition to his professional achievements, Neil is actively involved in the Moultrie Kiwanis Club and serves as an Ambassador with the Moultrie-Colquitt County Chamber of Commerce. Outside of work, Neil enjoys fishing, antique cars, and spending quality time with his family.

Neil's promotion follows the successful tenure of Chuck Bannister, who has served as City President of Moultrie for the past decade. Chuck, a Senior Vice President with over 40 years in banking, will transition to a new role focusing on Business Development for South Georgia Banking Company. His experience and leadership have greatly contributed to the bank's success. Chuck is also a member of the Flint River Presbytery, where he participates in the Commissioned Ruling Elder Program. His personal interests include family, faith, fitness, travel, and outdoor activities. Chuck is notably active with the local YMCA, previously serving as board president and currently leading a fitness "boot camp" class. He and his wife, Carol, have been married for 42 years and have two grown children, Laura Hill and William, who reside in Virginia and New York, respectively.

South Georgia Banking Company congratulates both Chuck Bannister and Neil Shumans on their new roles. We look forward to continued growth and success under Neil's leadership in Moultrie and to the new opportunities that Chuck will bring in his business development role.

South Georgia Banking Company is committed to providing exceptional banking services and building lasting relationships within the communities we serve. Our dedicated team of professionals works tirelessly to offer innovative financial solutions and support local growth.
