

ebankIT establishes US headquarters in Atlanta, expanding presence in vibrant FinTech business community

Portuguese FinTech leader ebankIT opens US headquarters in Atlanta, Georgia, reinforcing commitment to innovation and growth in the digital banking sector.

Atlanta, Georgia, September 3 — ebankIT, a leading omnichannel digital banking solution provider headquartered in Porto, Portugal, is excited to announce the opening of its new US headquarters in the Atlanta metro area. This strategic expansion further solidifies ebankIT's commitment to serving the growing FinTech industry and fostering innovation to financial institutions in the digital banking sector.

The Atlanta metro area, known for its vibrant FinTech business community, offers ebankIT a thriving ecosystem of industry peers, innovative startups, and financial institutions eager to embrace digital transformation. The US headquarters will serve as a hub for ebankIT's operations, enabling the company to better support its existing clients and engage with new partners across North America.

"Establishing our US headquarters in the heart of Atlanta's FinTech community is a significant milestone for ebankIT," said Renato Oliveira, CEO of ebankIT. "This strategic move not only enhances our ability to deliver cutting-edge digital banking solutions to financial institutions across the US but also strengthens our position as a global leader in the FinTech industry."

"Our mission is to empower banks and credit unions with the tools they need to excel in the digital age," said Paul Provenzano, VP of Market Development at ebankIT. "With our international expertise, comprehensive suite of solutions and our growing market presence in the US, ebankIT is filling several critical gaps driving meaningful digital transformation in the financial services sector. Our presence in Atlanta will allow us to deliver tailored, innovative solutions that meet the evolving needs of our clients and their customers."

About ebankIT

ebankIT is a fintech company that enables banks and credit unions to deliver the same humanized, personalized, and accessible digital experience on mobile, web, and voice banking, as well as whatever future channels may come next. Enhanced with flexible and robust full omnichannel capabilities, ebankIT Digital Banking Platform offers a fast and seamless digital banking transformation. With extensive customization capacity and a continuous focus on human interactions, ebankIT future-proves the digital strategy of banks and credit unions, empowering them with a truly customer-first approach.
