Creating a True California Community Bank

By merging with Community Bank of the Bank, we're creating a premier, community-focused California business bank.

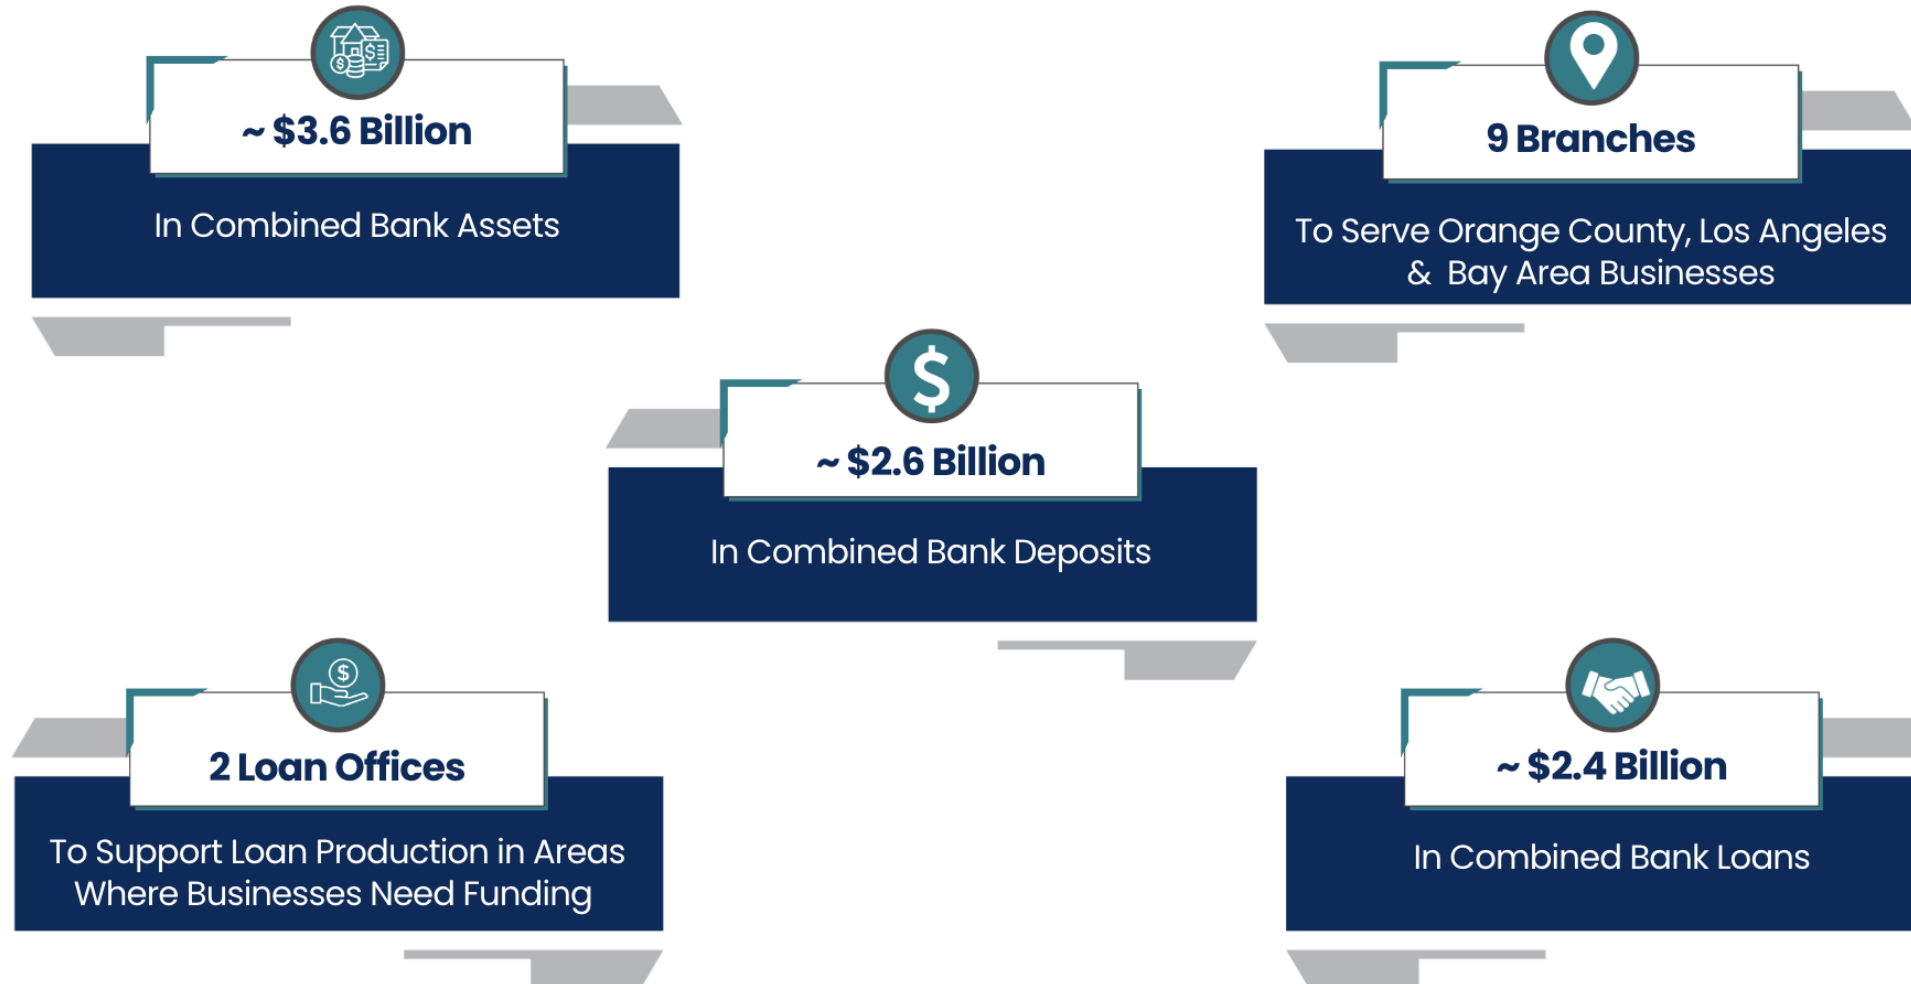

Together, we will:

- Complement each others resources
- Expand geographical locations
- Increase value for clients in each region
- Open the door to more growth
- Empower our employees
- Increase support to underserved communities
- Drive efficiencies
- Launch new financial technologies

Overview of Combined Banks

We will serve the Southern California and Bay Area business communities as one of the largest and most stable banks among our peers.

We're Creating a True
Commercial Bank of California
