

Dave Conne, Senior Vice President, BankOnIT

Dave is SVP of BankOnIT USA overseeing business development with a mission to provide banks technology results they can't get on their own or with anybody else. Dave has been working in community banking since 1999 with the last 20 years on the service provider side of the business with focus on technology, customer experience and M&A. He also serves as the Technology Committee Chair on the Board of Directors for a \$900MM southern California community bank since 2022.

Dave grew up in Iowa and after 10 years in Phoenix moved to California in 2010 where he resides with his wife, Ashley and dog, Carter.
