

CCBN TECH 24

# Beyond the Balance Sheet: The Power of Data Visibility

# KlariVis<sup>®</sup>

BRING YOUR DATA TO LIFE

**Kim Snyder**  
CEO & FOUNDER

**Jacqueline Hickman**  
CLIENT SUCCESS MANAGER

**Let's talk about  
having *easy access*  
to the data the bank needs  
to be effective.**

# Why You Need Clarity NOW

Informed Decision Making in Uncertain Times

Enhanced Customer Experience

Optimize Product Portfolios

Operational Efficiency

Risk Management

# The Struggle is **Real**.

**Lack of visibility** | Not there or buried

**Delayed** | Day late & a dollar short

**Resource drain** | Time, personnel, energy

**No single source of truth** | Trust issues & data hunting

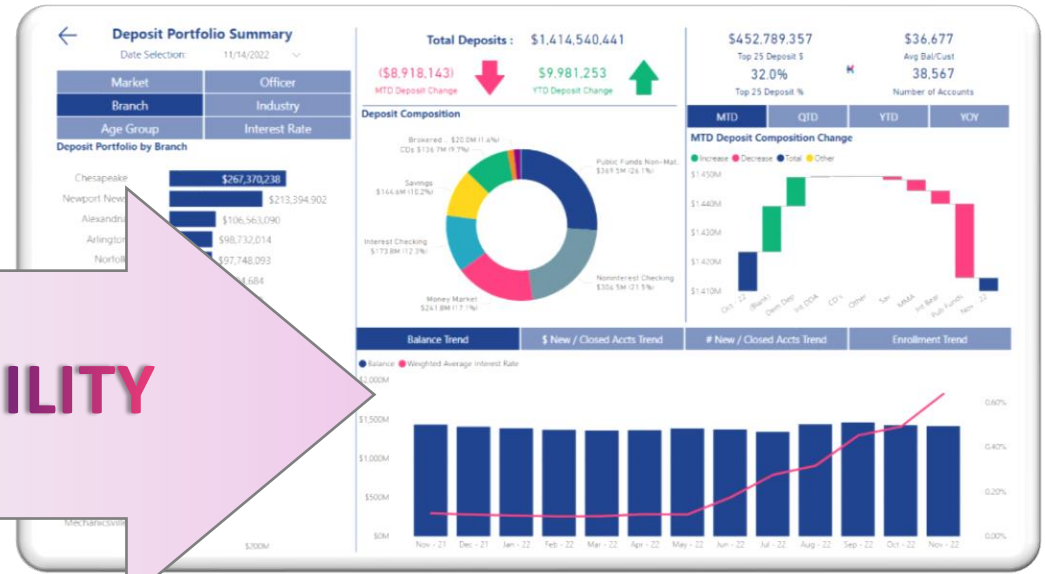

# Reporting vs. Visibility

REPORTING

VISIBILITY

MISSED OPPORTUNITIES FOR ACTION

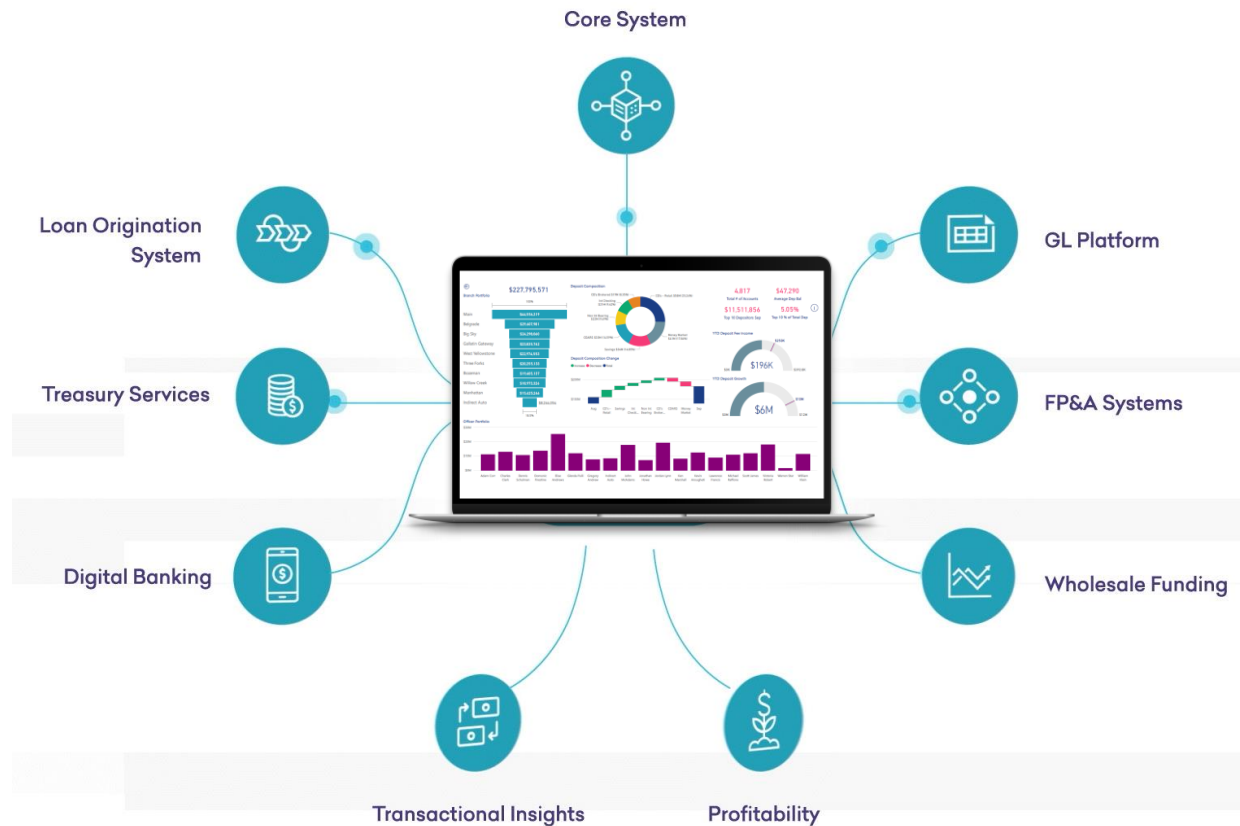

# Lack of Visibility Impacts:

# How KlariVis Works

**ANY**  
Core System

**1000+**  
Interactive Views

**500+**  
Data Elements

**1550+**  
Measures

**350+**  
Dashboards

**350+**  
Automated Board Reports

# Optimize Your Enterprise

Empower employees with **self-service access** to the actionable insights they need to support your customers and grow the bank.

ACCELERATE & ENHANCE:

**Employee Empowerment**

**Internal Communication**

**Customer Experience**

**Product Development**
