

AI Powered Work Intelligence Platform

Radically Simple, Fast & Affordable

Linda Gilbert, CCO

HuLoop

Human-in-the-Loop Intelligent Automation

HuLoop Automation:

Who We Are:

Founded by successful entrepreneurs.

- HuLoopeans are problem solvers, innovators
- Serving ~65+ "future-ready" customers
- Well-funded by prestigious investors

What We Offer:

Human-in-the Loop Work Intelligence Platform

- Harmonizing human advantages with AI Innovation

How We Do It:

Radically Simple, Fast & Affordable

- Ideal for enterprises of any size
- Designed for non-technical people
- Works with existing technology.

Why We Do It:

AI-based work intelligence is no longer a choice.

- Liberating humans to focus on more valuable work.

California Team

HQ in Auburn, California

India Team

HuLoop Addresses Three Major Challenges:

People

1/3

of your employee capacity is wasted on mundane, repetitive work.

Technology

1/2

of your work is not supported by enterprise software.

Processes

2/3

of your processes are outdated resulting in low efficiency, compliance.

AI Powered Work Intelligence Platform

HuGO Sidekick
Predictor | Generator | Advisor

Intelligent Productivity Discovery (IPD)

- What's happening, Why, What can you do?
