

# SPONSORSHIP OPPORTUNITIES

**Women in Emerging Aviation Technologies Summit  
Wednesday, October 25, 2023  
Hogan Lovells Conference Center, Washington, DC**

Join the Commercial Drone Alliance, Hogan Lovells and other organizations as we host the Women in Emerging Aviation Technologies Summit on October 25, 2023 from 11:30am-5:00pm. This inspiring and interactive conference will focus on challenges and success stories from women across the globe in the commercial drone and AAM industries. Featuring a keynote luncheon, two diverse panels with women from a range of diverse backgrounds, a matchmaking session, and plenty of time for networking, this event will not only be fun, but you will come away with your own action items and ideas on how to continue to be successful in the exciting field of emerging aviation technologies.

Our event is in conjunction with the Women in Emerging Aviation Technologies Awards Ceremony and Dinner that will be taking place later that evening at the Smithsonian Air and Space Museum starting at 7:00pm. For tickets to the ceremony, visit [here](#).
