#AEC2023CCE**

① Start presenting to display the joining instructions on this slide.

slido

**How do your licensees
feel about required CE?**

① Start presenting to display the poll results on this slide.

slido

What trends have we seen in required CE since the pandemic

ⓘ Start presenting to display the poll results on this slide.

slido

What percent of CE requirements were allowed “on-demand” in 2022?

ⓘ Start presenting to display the poll results on this slide.

slido

What subject area requirements [either at the board or state legislative level] have we seen emerge in the last five years?

① Start presenting to display the poll results on this slide.

slido

Does your jurisdiction use manual processes to audit continuing education?

① Start presenting to display the poll results on this slide.

slido

Does your jurisdiction audit every license renewed to ensure compliance with continuing education requirements?

① Start presenting to display the poll results on this slide.

slido

How many FTEs does your agency task with auditing renewals to ensure compliance with continuing education requirements?

① Start presenting to display the poll results on this slide.

slido

Please fill in the survey

① Start presenting to display the poll results on this slide.

slido

How many use technology to complete audits?

① Start presenting to display the poll results on this slide.

slido

**How many use technology to
manage continuing education
but do not audit at all?**

① Start presenting to display the poll results on this slide.

slido

Have your compliance rates increased since using technology to manage audits?

① Start presenting to display the poll results on this slide.
