### Unlock Continuous Brand Exposure

CLEAR's Targeted Advertising leverages advanced digital marketing technology to ensure your brand stays front and center with the largest, most concentrated audience of professional and occupational regulators available anywhere. By serving ads to CLEAR's audience, including website visitors, event attendees, and email subscribers, you can reach key decision-makers and stakeholders long after events end.

Whether promoting a webinar, white paper, case study, or specific landing page, CLEAR Targeted Ads connects you with engaged professionals who are actively interested in regulatory excellence and the products and services your organization offers.

### What is Ad Retargeting?

CLEAR's ad retargeting options allow you to serve dynamic ads to anyone who has interacted with our website, subscribed to our mailing list, or attended a CLEAR event.

# TERMS AND CONDITIONS

## GENERAL TERMS

This Agreement shall be governed by and construed in accordance with the laws of the State of Kentucky, without giving effect to any choice of law or conflict of law provisions. Any legal action or proceeding arising under this Agreement shall be brought exclusively in the courts located in Jessamine County, and each party hereby submits to the jurisdiction of such courts for purposes of any such legal action or proceeding.

### Use of CLEAR's Name and Logo

Exhibitors, sponsors, or partners may not use CLEAR's logo(s) on marketing materials or communications without written consent from CLEAR's Executive Director and/or Marketing & Communications Manager. All requests should be submitted to [apeterson@clearhq.org](mailto:apeterson@clearhq.org) for consideration. Parties may not communicate publicly or with CLEAR's audience(s) in a way that implies an endorsement from CLEAR. At any time, CLEAR may withdraw consent for use of any logos.

## YEAR-ROUND OPPORTUNITIES

### Payment

Payment for the annual partnership must be made within thirty (30) days of the receipt of invoice. Benefits under this partnership, including but not limited to logo placement, advertising opportunities, and promotional mentions, shall commence upon receipt of payment. In the event that payment is not received within the specified timeframe, CLEAR reserves the right to withhold or delay the provision of benefits until payment is received in full. All payments shall be made in U.S. dollars and shall be non-refundable.

### Annual Premier Partnership Program

All content, including podcasts, blog posts, articles, and advertisements in CLEAR-owned channels, is subject to review and approval by CLEAR. Podcasts, webinars, and event sessions should all include a regulator as a speaker, in addition to any company representatives.

Participation in CLEAR's premier partnership program does not constitute an endorsement of the partner's products, services, views, or actions. CLEAR and its partners collaborate on specific initiatives within the framework of the partnership program, but this collaboration should not be interpreted as an endorsement of all aspects of the partner's business.

During the term of this Agreement and for a period of one year thereafter, both parties agree to keep confidential any proprietary or sensitive information disclosed by the other party in connection with this sponsorship. This includes, but is not limited to, marketing strategies, financial information, customer lists, trade secrets, and any other information deemed confidential by the disclosing party. Both parties agree not to disclose such confidential information to any third party without the prior written consent of the disclosing party, except as required by law or court order. The obligations of confidentiality shall survive the termination or expiration of this Agreement.

### Advertising Opportunities

All content submitted to CLEAR by sponsors of any digital advertising package is subject to approval by CLEAR. All package benefits will be fulfilled within the sponsorship year by CLEAR, but timing is subject to CLEAR's marketing schedule and other sponsorship commitments.

Sponsors that use CLEAR's Targeted Ad packages will have access to their campaign data, but not that of other organizations, including CLEAR. All views included in a targeted ad package must be used by the sponsor before the next sponsorship year, which begins July 1st, 2026. If sponsor(s) do not launch their campaigns in a timely manner so that all views can be delivered before this date, their remaining views will expire and cannot be used in the following year. Discounts on Targeted Ad packages that are included as benefits for Annual Partners cannot be combined with discounts that are included as benefits for eligible Annual Educational Conference sponsors.

### Full Sponsorship of Webinars

Sponsor will include a regulator(s) as speaker(s) for the webinar, and content will refrain from being a sales pitch or specific product demonstration. Presenters will use the CLEAR PowerPoint template (slides due one week in advance of webinar for review by CLEAR). Registration is handled through CLEAR's website, and the webinar is hosted on CLEAR's webinar platform. Sponsor may directly send a one-time email to attendees who consent to receiving email as long as sponsor agrees to obtain consent before continuing to communicate with attendees.

# TERMS AND CONDITIONS

## TERMS FOR EVENTS

In order to participate in the exhibitor and sponsor program, payment must be made within 30 days of receipt of invoice or before the start of the event, whichever is sooner. Payment must be made in order to receive a copy of the pre-event attendee list and to be listed on printed conference materials. If payment has not been received by the day of the event, the exhibitor will not be allowed to set up their display until payment arrangements have been made. Exhibit booth and sponsorship pricing may change year to year to allow for fluctuations in production costs. All exhibitor and sponsorship payments are non-refundable.

### Attendee List and Marketing

CLEAR asks all attendees if they would like to consent to a one-time promotional email from the event's exhibitors and sponsors. Vendors will receive contact information for attendees who opt-in to these communications. Vendors must receive consent from the attendees before continuing to send them emails.

The attendee list will be sent three weeks prior to the event, and an addendum will be published after the event with information on any late or on-site registrants. Vendors must pay for their booth and sponsorship items in order to receive the list.

### Failure to Occupy Space

The exhibitor will forfeit space not occupied by the close of the exhibit installation period for any given event. This space may be resold, reassigned, or used by CLEAR in any manner deemed suitable. There will be no refund for space not occupied and any outstanding exhibitor balance is 100% due.

### Early Breakdown Fee

Exhibitors are required to maintain their exhibit space until the official show closing time. Early breakdown of exhibit displays is strictly prohibited and may result in an early breakdown fee of \$500. This fee will be assessed to any exhibitor who dismantles their display before the designated event conclusion time. The fee is intended to ensure the smooth flow of event activities and to avoid disruption to other exhibitors and attendees. By participating in the exhibit show, exhibitors agree to comply with all event timing requirements. If you need assistance breaking down your booth, please contact CLEAR staff at least two weeks prior to the show.

## Sponsorship Reservation Policy for the Annual Educational Conference

2024 Annual Educational Conference Sponsors will have first right of refusal on all items they reserved for the 2025 CLEAR Annual Educational Conference. After that, the sponsorship item will be made available to all interested parties. Payment must be made according to the payment policy, otherwise sponsorship will be released to the next interested party. Those interested in Presenting Sponsorship must inform CLEAR by **March 1, 2025** to be considered. If the sponsorship level is still available after the initial deadline, interested parties will be evaluated on a case by case basis.

### Observance of Laws

Exhibitor shall abide by and observe all federal, state and local laws, codes, ordinances, rules and regulations, and all rules and regulations of the Exhibit Facility (henceforth referring to the host facility of any in-person CLEAR event), this includes any union labor work rules. Without limiting the foregoing, Exhibitor shall construct its exhibits to comply with the Americans with Disabilities Act.
