

2024

International Symposium

Council on Licensure, Enforcement & Regulation

Join us for CLEAR's inaugural International Symposium, December 3-5, 2024.

CLEAR's 2024 International Symposium will explore the **multifaceted challenges and opportunities of international workforce mobility** and the **evolving role of the regulator** in a global context, examining the issue from the perspectives of multiple stakeholders in multiple jurisdictions. An overarching goal is to identify concrete steps regulators can take to improve international workforce integration while fulfilling their public protection mandate.

The multi-day program will feature expert panels, case study presentations, and facilitated discussions. Join us for this comprehensive symposium to gain valuable knowledge, share best practices, and collaborate with regulatory professionals from around the world. Together, we can enhance the mobility of the international workforce and strengthen the role of the regulator in fostering a diverse, inclusive, and competent global professional community.

Join us December 3-5, 2024 for a global conversation about a global issue!

Virtual Symposium Program Schedule:

This program will be held virtually December 3-5, 2024 to maximize international participation in the discussion on this crucial topic.

Each 3-hour program block will include presented content and a facilitated discussion. Program blocks have been scheduled so that content is available in the listed regions during standard working hours, however registrants are not restricted to their region's program block and may attend as many as you'd like.

Block 1: December 3 (3:00-6:00am UTC)

Australasia, East & South Asia

Block 2: December 3 (12:00-3:00pm UTC) –
