

Navigating Change – Empowering Regulatory Leaders for Seamless Transitions

Changes in leadership can have significant impacts on the day-to-day and overall functioning within a regulatory college as well as the organizations they work with. The seamless transfer of leadership within regulatory agencies is critical to maintaining stability, continuity, efficiencies, and the trust of registrants and the public. How can leaders collaborate with their staff to ensure these transitions are smooth? What strategies can leaders implement to prepare for and communicate change? What skills are needed to support the work? Current and former regulatory leaders will share knowledge, strategies, and best practices required to successfully navigate leadership transitions within your organization.
