Job Posting for Customer Service Representative (CSR) – Mountain Region

Job description

Primary Responsibilities

- Serve as a wholesale plant salesperson, managing a set of clients across the Rocky Mountain region.
- Track and understand plant supply to accurately fulfill customer orders.
- Manage quotes, orders, and availability through regular communication with customers via phone and email.
- Work collaboratively to ensure high-quality service and plant material.

Qualifications

- Strong horticultural knowledge of trees, shrubs, and perennials, and understanding of how they fit into the natural and built environments ranging from urban to mountain settings in Colorado.
- Strong work ethic with a proactive, eager-to-learn attitude.
- Excellent interpersonal skills and the ability to build and maintain strong customer relationships.
- Computer proficiency and ability to manage data effectively.
- Nursery and/or landscape industry experience required
