PRIVATE
ENTERPRISE
REQUIRING
**MINIMAL
PUBLIC
INVESTMENTS**

MILLIONS OF
HOUSEHOLDS
WITHOUT CARS
GAIN **ACCESS TO
JOBS AND
HEALTHCARE**
THROUGH
CARPOOLING

What is ACT's Recommendation?

Request a GAO Study on the Benefits of Carpooling

ACT recommends that the next surface transportation reauthorization bill requires the GAO to complete a study on the efficacy of carpooling to address congestion and air quality concerns, the obstacles to widespread use of carpooling, and the financial benefit of increasing carpool use.
