## WEDNESDAY ATTENDEES

Thank you for signing up for the Future of TDM 2.0 workshop, Genentech Electrification Tour, and/or the Genentech Campus Tour!

Unlike Thursday, Wednesday's Summit activities will take place in the afternoon between 2PM - 6PM. During this time, the Genentech transit connector shuttles, Commute.org shuttles, and the public ferry will only have outbound commute options and **no inbound commute options**.

For transportation options, we recommend the following -

- Take Caltrain to the South San Francisco station. Walk ~10 minutes north and take the Hotel shuttle into campus.
- Carpool with fellow attendees.
- Take rideshare here and hop on a transit connector shuttle to go home.
- Drive in and utilize the visitor parking.

We appreciate you being flexible with your travel plans and adapting to the commute differences between Wednesday and Thursday!
