Dearest ACT Members and Visitors

The time has come! Shontay's dream to throw the biggest ball in New Orleans is coming true. It was made possible with hard work, determination, and NOLA's reliable multimodal travel options.

We are excited to share a night of pure magic, elegance, and glam at our Masquerade Sneaker Ball with all of you! We invite you to bring your finest attire, masks, and comfy sneakers as we dance the night away, celebrating another year of TDM excellence.

If you have questions about your outfit, don't worry! Shontay's Fairy Godmother has you covered with this outfit guide.

While in New Orleans, we hope you'll explore the vibrant culture and exquisite food and take valuable tools back to your organizations.

Remember the F.R.O.G.

F for Ferry boat, R for Ride on the Street Car, O for Operate the Bus Schedule, and G for Get there on Foot. See y'all in New Orleans!

Sincerely,

Imani and Shontay
