

# Attention, students!

## Are you interested in pursuing a career in sustainable transportation, urban planning, shared mobility, and engineering?

### We can connect you with more than 1,400 professionals in these fields once you become a student member **for free.**

The Association for Commuter Transportation (ACT) is a professional organization dedicated to creating improved mobility and a better journey for everyone. It is the premier association for those working to enhance commuters' lives, expand community livability, and bolster the sustainability of our transportation infrastructure. ACT may be what you're looking for!

Members include city/state DOTs, MPOs, transit agencies, transportation providers, non-profits, major employers, consultants, and higher education.

**Don't miss the opportunity to join the association while students can become members at no cost.**

### Benefits of membership

Professional development

Networking opportunities

Industry events

Chapter membership

Themed councils

Webinar library

And so much more!

### Launch your career as a valued member of our **community.**

Students enrolled in at least 12 credit hours at an accredited higher education institution can qualify for free membership.

**Not sure if you're eligible? Contact us at [membership@actweb.org](mailto:membership@actweb.org) for more information.**
