About This Event

Brought to you by the Traffic Safety Committee, this event brings together policing professionals to discuss and address issues related to traffic safety and law enforcement. Focus will be on strategies and best practices aimed at improving overall road safety. Attendees will hear from agencies who are considered experts in the field of traffic safety to provide insights and information addressing the complex challenges associated with traffic safety, with the ultimate goal of promoting safer roadways for all.

Topics Include:

Speeding

Impairment

Pedestrian and Bike Safety

Street Racing and Sideshows
