CPR Institute 2027 Annual Meeting Sponsorship Opportunities

For nearly fifty years, CPR Institute's Annual Meetings have united the most influential voices in dispute prevention and resolution. As we approach our 50th anniversary in 2027, we are building on this legacy with renewed purpose, serving as a catalyst for the innovations, collaborations, and best practices that will define the next generation of dispute management. Together, CPR's global community shapes the future of ADR for the next half-century and beyond.

Bringing together leading in-house counsel, law firms, academics, and distinguished neutrals, CPR Institute's Annual Meeting is a prime networking and promotional opportunity for ADR practitioners and business leaders interested in preventing disputes entirely or resolving them early enough to avoid the cost, distraction and ruined relationships that full blown litigation brings.

The 2027 Annual Meeting will offer participants two full days of substantive programming, fascinating insights from must-see speakers, and extensive networking opportunities, all from the timeless and rich city of New Orleans.

Sponsoring this premier conference offers you an unrivaled opportunity to maximize your firm's visibility while supporting the cutting-edge thought leadership and innovation of the CPR Institute.

We look forward to having you with us in New Orleans!
