Instructions for Completing the DMVS MCS-150 GA

Block

1. Enter the legal name of the business entity (i.e., corporation, partnership, or individual) that owns or runs the motor vehicles.
2. Physical (street) address where the business is located.
- 3-5. City, state, and zip code where the above address is located.
6. If the business operates under another name than shown in Block 1, (such as a trade name or DBA name), enter that name here.
7. Mailing address, if different than the physical address.
- 8-10. City, state, and zip code for the mailing address.
11. County where the physical address is located.
12. Enter the telephone number of the business
13. If you are registered with the Public Service Commission, and have been assigned a Motor Carrier Account (MCA) number, enter it here (Note: this is not the same as the permit number).
14. If you already have a U.S. DOT Number (Motor Carrier Identification Number), enter it here.
15. If you are a for-hire carrier engaged in interstate commerce, and have a ICC MC Number, enter it here.
16. Enter the Employer Identification Number (EIN) or Social Security Number (SSN) used to identify your business to the Internal Revenue Service and/or Georgia Department of Revenue.
17. Enter your Internet e-mail address, if you have one. Include the full address and domain name (e.g. yourname@domain.com).
18. Total fleet mileage last year for all vehicles shown in item 23, below, rounded to the nearest 10,000 miles.
19. Circle the appropriate type of operation:
 - A. *Interstate and/or foreign*, if you carry goods from outside Georgia destined for a location within Georgia (including air freight, overnight parcels, and/or U.S. Mail).
 - B. *Georgia Only (Hazardous Materials)*, if you operate vehicles that stay solely within Georgia, do not carry interstate or foreign freight, but do carry hazardous materials.
 - C. *Georgia Only (Non-Hazardous Materials)*, if you operate vehicles that stay solely within Georgia, do not carry interstate or foreign freight, but do not carry hazardous materials.
20. Operation Classification
 - A. *Authorized for hire*: If you have either ICC Authority, or hold a Certificate or Property Permit from the Commission, or transport those commodities.
 - C. *Private (Property)*: If you transport goods or items to further any business or commercial (including non-profit) enterprise.
 - D. *Private Passengers (Business)*: If you transport passengers as part of a business (e.g., musical groups, retirement communities, etc.)
 - E. *Private Passengers (Non-Business)*: If you transport passengers not part of a business (e.g., churches)
 - F. *Migrant Workers*: If you transport 3 or more migrant workers, other than by passenger automobile or station wagon.
 - G. *U.S. Mail*: Transportation of mail under contract with the U.S. Postal Service
 - H. *Federal Government*: Transportation of passengers or property by a Federal Agency, on an agency owned, leased, or rented vehicle.
 - I. *State Government*: Transportation of passengers or property by a State Agency, on an agency owned, leased, or rented vehicle.
 - J. *Local Government*: Transportation of passengers or property by a Local (City or County) Agency, on an agency owned, leased, or rented vehicle.
 - K. *Indian Tribe*: Transportation of passengers or property by an Indian Tribe, on a Tribal owned, leased, or rented vehicle.
 - L. *Other*: Any operation not included above.
21. Circle the letters of all types of cargo carried in you operation. If "Other," enter the type.
22. Circle the types of hazardous materials carried, and whether carried in bulk packages (packages over 119 gallons capacity, such as cargo tanks, portable tanks, "totes," etc.), or smaller packages (119 gallons or less capacity, such as drums, boxes, cylinders, etc.), or both. IMPORTANT: These are survey codes to determine what types of materials your operation carries, they are not necessarily actual hazard classes.
 - H: 2.1LPG (e.g., Propane)
 - I: 2.1Methane (e.g., Natural gas, refrigerated liquid)
 - K: Div. 2.2Ammonia (Anhydrous Ammonia)
 - L – O: Div. 2.3 Poison gases in hazard zones A, B, C, or D.
 - Q, R: Class 3 Flammable liquids also toxic by inhalation in hazard Zones A or B
 - Z, AA: Div. 6.1 Poisons also toxic by inhalation in hazard Zones A or B
 - GG, HH: Class 8 Corrosive materials also toxic by inhalation in hazard Zones A or B
23. Enter the total number of vehicles owned, term leased (more than 30 days), or trip leased (30 days or less), on the day this form is completed.
24. Enter the number of drivers that operate Interstate (across state lines) and Intrastate (within Georgia). Part time, casual, intermittent, and occasional drivers (including mechanics who test drive vehicles) are included. Also include the total number of drivers who hold Commercial Driver's Licenses (CDL).

Interstate: Drivers who carry people or materials across state lines, or who carry interstate freight (such as air freight, overnight parcels, and U.S. Mail).

Intrastate: Drivers who stay wholly within the State of Georgia, and do not carry interstate freight.

100 Mile: Drivers who normally stay within 100 air miles (not road miles) of their place of employment.
25. Print or type name, in the space provided, and sign, date, and include the Title of the individual authorized to sign documents for the company shown in block 1.

Georgia Department of Motor Vehicle Safety

TO ALL GEORGIA INTRASTATE MOTOR CARRIERS OPERATING COMMERCIAL VEHICLES:

The Georgia Department of Motor Vehicle Safety has implemented an INTRASTATE Georgia USDOT numbering program. **All vehicles operated by motor carriers operating exclusively within the boundaries of Georgia must display their Georgia USDOT number preceded by "USDOT" and followed by "GA" on all vehicles. The markings on commercial motor vehicles must also include the legal name or a single trade name of the motor carrier. This lettering must be on each side of the power unit, readily legible from 50 feet during daylight hours and in a sharply contrasting color.** (Rule 4-1-390.19 and 4-1-390.21).

Intrastate motor carriers that meet the following criteria are subject to this Rule:

1. In excess of 10,000 pounds Gross Vehicle Weight Rating (GVWR); **or**
2. Transporting placardable amount of hazardous materials; **or**
3. Operating a vehicle designed to transport more than 15 passengers including driver; **and**
4. Operating only within the State of Georgia.

Attached is the DMVS MCS-150-GA application form to be completed for issuance of your Georgia USDOT number. There is **no fee** to apply for the Georgia USDOT number, however please allow 2 – 3 weeks for processing. Please complete this form and return it to:

Georgia Department of Motor Vehicle Safety
P.O. Box 161227
Atlanta, Georgia 30321

If your operations include travel outside Georgia, please apply for your USDOT number through the United States Department of Transportation (404) 562-3620.

If you have any questions regarding this matter, please call (404) 675-6171.

Thank you.
