Advance Payments of EITC Eliminated

Effective December 31, 2010, Advanced
Federal Earned Income Tax Credit
(AEITC) became unavailable to workers.

The Education Jobs and Medicaid Assistance Act of
2010 signed into law August 10, 2010 repealed the
Advance EITC. It will not be available to workers
after December 31, 2010.

Individuals who received Advance EITC in any prior tax
year should have filed a tax return to report the payments
even if they owed no tax or did not get a refund.

Advance EITC, also known as AEITC, allowed certain
workers to receive EITC in installments throughout the
year, instead of a lump sum during the following filing
season. To qualify for Advance EITC, an individual must
have had at least one qualifying child. The amount of
Advance EITC was limited to 60 percent of the maximum
credit payable for a worker with one qualifying child.

If you need more information regarding the EITC or prior
Advanced EITC received, you should contact the IRS at
1-800-829-1040 or visit the IRS Website at www.irs.gov. Additional EITC resources are also available at the
IRS EITC Home page: _____

conspicuously posted in or about
the premises wherein any worker is

those labor laws which the Executive
Director may designate, in a form to be
furnished by the Executive Director.
