

MEDIA COORDINATION AND STATISTICS NEWSLETTER – MARCH 2016

This newsletter is put together by the NCAA national office media coordination and statistics staff specifically for SIDs. If you have any comments or anything you would like to see in the future, please contact Mark Bedics (mbedics@ncaa.org). This is being sent to every email address that we have on file through the statistics sport databases. If there is anyone else that needs to be added that did not receive it, please let us know. Thank you.

COUNTABLE OPPONENTS POLICY: The countable opponents policy and list of non-countable opponents may be found [here](#). The list of non-countable opponents is not complete. If there is an institution not listed in the [current codes](#) or on the non-countable opponents list, please contact ncaastats@ncaa.org and the institution will be researched.

DEADLINES: Spring reporting deadlines and sport contacts by division can be accessed in the XML reporting memos posted here: <http://www.ncaa.org/championships/statistics/ncaa-media-coordination-and-statistics-information-sids>.
